

Daily Lesson Schedule

Year 1

Date: Tuesday 14th July 2020

Good Morning,

Below is the work for today including any website links you will need as well as any PowerPoint resources.

We know that families have got a range of different demands on them over this difficult period. In school, the children will be completing all the work on the schedule. We would like the children at home completing as much as possible. If however, on particular days, you feel the schedule is overwhelming please complete what you can, remembering that maths and English are of particular importance.

You can choose to do these lessons in any order that suits you. For your daily exercise you could follow Joe Wicks or make up your own routine. The timings are for guidance only and an activity can be stopped if it is taking longer than the recommended time. Doodle maths and Times Table Rockstars can also be used to support learning at home.

Lesson	Lesson Notes	Activity to complete
Maths (45mins approx)	Use Powerpoint Tuesday Maths	Which 2 items could you take in your picnic basket? Using addition to solve a problem. (see attached activity)
Phonics, Spelling and English (55 mins approx)	Powerpoint Tuesday English Thoughts about Year 1 and Year 2	Something I have enjoyed.... improved... and look forward to. Something I might be worried about. (see butterfly template in folder)
Art	Powerpoint Tuesday Art If you do not have old toy cars or similar, you might like to paint or colour a design instead.	Use tyres, wheels or similar to paint pictures (outside)
