

## Phoneme story - g and c - alternative pronunciation

This phoneme story has some hard and soft g and c was in it. (gas/giraffe cot/cent) Read the story together. Then on your own underline all the g and c words. Then make a list, writing the words under the correct heading.

Gemma cycled to Germany. When she got there she stayed in the centre of town. The garden had a cave in it. Inside the cave was icy and was painted gold. It had a sign saying 'danger' outside but it looked magic when Gemma glanced in. Gemma wanted to camp in the garden but it was December and it was cold.

[illegible]
