Accelerated Reader

What is it?

- Accelerated Reader (AR) enables us to match reading books to children's reading ability and helps teachers to assess, manage and monitor reading.

How does it work?

- Children from years 3 - 6 have been assessed in school using Accelerated Reader. (As year 2 complete the Little Wandle phonics scheme, they too will be assessed).
- Each child has a colour banded book.

How can you check if a book from is on AR?

- Parents can visit <https://www.arbookfind.co.uk> to search all of the available books with AR quizzes.
- If it's not there, then children can still read the book, but we encourage them to also have a book from school that is colour matched to their ability.

Quizzing

- When your child has finished reading their book, they can take a quiz online at home. This is a really useful way of seeing what they have learnt. Quizzes are best taken **within 24 hours of finishing the book.**
- They can earn badges for the number of words read - bronze 100k, silver 500k and gold 1 million +
