

The children are working quietly in pairs.	I am having pizza for dinner.
At playtime the children play games together.	Mix the flour and sugar together.
Get down from there.	They went to the park after tea.
Sam is in the football team.	Put the scissors away carefully.
She likes reading about cats.	Get out as quick as you can.
Stop running in the corridor.	My favourite colour is blue.
Tomorrow I am going on holiday.	Change into your PE kit.
Please tidy up your mess.	There are 8 planets in the solar system.
