

Hi Hawthorn class,

It was so lovely being able to speak to nearly all of you this week and I am so sorry that some of you were out. I was so impressed with all the work that you have been doing and how well mums and dads are doing teaching you!

I have been in school this week and it has been nice to see some of our class like Alexander, Riley, Zac, Joshua, Florence and Oscar.

Apart from that I have been busy at home working and starting to write your reports!!

Last weekend I collected our new puppy who is called Otto. He is very small and very sweet but has very sharp teeth and loves to chew my slippers if he gets the chance! I'm not sure my other dog is very pleased about having another dog in the house - he does get a bit grumpy especially as Otto keeps stealing his bed!

I have attached a photo of him so that you can see what he looks like.

Love Mrs Speight
