

Hello Year 3 children!

I hope you all have a lovely half term with your family and that you get to spend some fun times in the sunshine over the next week. I am looking forward to spending some more time in my garden. The seeds I planted a few weeks ago have turned into little plants and I have put a lot of them into the beds around my garden. I am also going to take some of my plants into school to plant in the school garden which Mrs Castle has been working hard in. I am going to bring in some tomato plants and some different flowers.

Well done for all your hard work with your home learning this half term. Which has been your favourite activity so far? I have been teaching in school this week and it has been great to see some of you in person enjoying the whole school topic of Mexico. I have been working with the younger children, which is a bit different from teaching Year 3!

Best wishes to you and your family

*Mrs Smith*
