

LO: I know that England is divided up into geographical regions
I can label the different regions of England.
I can use an Atlas to find a major city in each region.

Regions in England

Colour the regions of England different colours.

Write their names on the lines provided. Use an atlas to find a major city in each region. Write these at the bottom in the correct box.

North East	East Anglia
Yorkshire and Humberside	South East
East Midlands	South West
West Midlands	North West
