

Year 3
Geography
29.06.20

Overview

For the rest of this term we are going to be studying the geography of Wales and comparing it to the area in which we live in the South East

LEARNING INTENTION:

To locate and mark Wales on a map of the UK and find important places within the country.

SUCCESS CRITERIA:

- I can use an atlas to help me find the boundary between Wales and England.
- I can find and mark the capital city of Wales on a map.
- I can mark other important places.

Activity

- Watch – <https://www.youtube.com/watch?v=UOv6qwlandk>
(this is a video showing the landmarks and countryside of Wales)
Then watch again and pause as you go identifying the human and physical features.
- Find these landmarks on a map of Wales using an atlas and mark them on the map provided.
- The capital city
- Another major city
- The highest mountain
- The seas surrounding Wales
- A major river
- A National Park

- Use the internet to answer the questions on Wales. (you can do this at any time)
