Lesson 2: Hope

Use the link below to watch a video all about a snowdrop. The snowdrop is sometimes called a 'flower of hope' because it comes so early in the year. This video will touch on the idea of feeling brave to go for your hopes and dreams even though sometimes its not easy.

Answer the questions on the next slide.

Hope

- What was the snowdrop's hope/dream?
- What did the wind and the sun think about her dream? What did they tell her to do?
- What words would you use to describe the snowdrop's attitude when others told her she had to wait?
- Do you think any of the words that you have just come up with could help you when you have a hope or dream?
- What do you think the of this story is to all of us?
- Finish this slogan ...
- Hope means
- *If you like you could write it all down somewhere and display it as a reminder that things can get better even when times are difficult.*
