

Year 3
Maths
Thursday 9th July 2020

Lesson Aims

- **LO: I can solve mathematical problems.**
- SC: I can read the question carefully.
- I can find the important information.
- I can write a number sentence to match the problem.
- I can choose and use an efficient strategy to help me.
- I can show my working out.

Fluency Starter

- Count up in 10s from 68.

What are the next three numbers?

- Count up in 5s from 29.

What are the next three numbers?

- Count down in 5s from 52.

What are the next three numbers?

Fluency Starter Answers

- Count up in 10s from 68.
What are the next three numbers? **78, 88, 98**
- Count up in 5s from 29.
What are the next three numbers? **34, 39, 44**
- Count down in 5s from 52.
What are the next three numbers? **47, 42, 37**

100 Square

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Main Teaching

- Today, you are learning about problem solving in the North and South Poles.
- You are going to help feed animals and build an igloo using your multiplication and division skills.
- The answers are on the final sheet.

Extras

- Don't forget to keep on logging on to Doodle Maths where extras have been set for you. Getting those correct will help you earn more stars.
- Also there is maths work set on Purple Mash. It's all about multiplication and division, so give it a try.
