Lesson Aims

Choose a part of your poem and create a picture for it using any medium you like. Make a banner for your artwork with the section of the poem you have chosen including the sense that it comes from.

Eg I like to look at sail boats bobbing gently on the glimmering water.

You could paint, collage, use the paint programme on Purple Mash, draw, use clay, playdough – whatever you fancy.

Can you upload these pictures to Purple Mash as well as your completed poem.
