

PSHE
I am amazing!
10.07.20

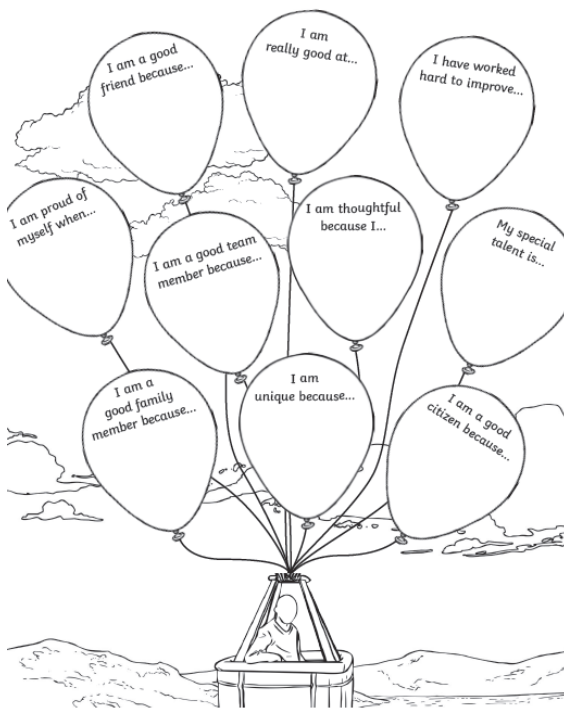

Lesson 2: I am amazing

Following on from our Worries PSHE lesson on Monday we are going to be thinking today about how amazing each one of us is.

Read the ppt and then complete the sheet

I Am an Amazing Person!

Read and finish the sentences in the balloons below.

Imagine how strange it would be if everyone looked exactly the same - like robots or Cybermen from 'Doctor Who'. You wouldn't be able to tell who was who.

Or imagine what it would be like if everyone liked the same things and when you went to the library everyone started fighting over who was going to take out the same book!

Fortunately, we're all different. Each one of us is unique, even if we look a little like a brother or sister or share likes and dislikes with our friends.

Did you know?

Every single one of us
has a unique fingerprint.
No one has the same. Each
one is unique, different and
special..
