SPaG – words ending in tion

Practise spelling these words.

STOP

invention
injection
direction
creation

Lesson Aims

LO: To write a description of the 'thing' that caused Claire to scrape her knee and to think about how you escaped from it.

Tuesday Task

Use your work from yesterday and write a descriptive piece.

Use the starting sentence to begin your work.

This is uploaded as Tuesday English Success Criteria.

We have done this lots recently so you should be super stars at it by now.

Use the success criteria on the next page to help you.

Success Criteria

- I can use noun phrases (*large, hairy body*)
- I can use a sentence of 3 extended with a conjunction (*large, hairy body, huge powerful arms and long black fur which swayed wildly in the wind.*)
- I can use fronted adverbials (*Amazingly, A few seconds later*)
- I can use a subordinate clause at the beginning of the sentence (*Because it was fierce, it beat its chest loudly*)
- I can use powerful verbs (*plodded, stomped*)
- I can use adverbs (*quickly, amazingly*)
- I can a drop in clause (*Luckily, there was a letterbox next to me, **which I thought would be a good place to hide**, so I quickly darted behind it.*)

Monday Task - Example

“Look at my bad knee,” said Claire.

• *“How did you do it? asked Celia.*

• *“Well,” said Claire*

• Amazingly, there was a gigantic gorilla which had a large, hairy body, huge powerful arms and long black fur which swayed wildly in the wind. Because it was fierce, it beat its chest loudly and stomped angrily towards me. Luckily, there was a letterbox next to me, which I thought would be a good place to hide, so I quickly darted behind it. A few seconds later the gorilla came running by so I sneakily stuck out my toe and he tripped over and fell flat on his face!

Plenary

- Read through your work – does it make sense?
- Have you included all your success criteria?
- If not can you edit your work and see if you can add the missing parts.
