

Friday timetable and lessons

Hello!

Well done for all your home learning this week. Once you have completed as much of these lessons as you can, please have a wonderful weekend.

MATHS – Today you are making and then playing a game to help you learn your times table. Use whichever times table you are learning at the moment. Full details are on the PowerPoint. Please log on to Doodlemaths to complete your Extras. Can you get into the Green Zone for the week?

ENGLISH – We are learning all about verbs, adverbs, adjectives and nouns. Please ask your parent or carer to print off the sorting cards so you can cut them up to sort. Full details are on the PowerPoint. We would love to read your silly sentences. Email your completed work to year3@stpauls-dorking.surrey.sch.uk

GUIDED READING – print off the worksheet, read the passage, then answer the questions. Email your completed work to year3@stpauls-dorking.surrey.sch.uk so we can add it to your guided reading book.

SPELLINGS – These are in the homework section of the website.

READING – Please continue to read with your parent or carer.
