

### **Wednesday lessons**

Hello to you on this wonderful Wednesday!  
We are missing you at school!

We appreciate it might be a little tricky to be learning at home, so do what you can.

**MATHS** – We are continuing to learn about arrays, particular we are using arrays to help us solve division missing number problems. Have a look at the PowerPoint, then complete the sheet.  
Have a look at Doodlemaths. Are you in the green zone for the week?

**ENGLISH** – We are continuing to write our own version of the short film ‘The Lighthouse’.  
Before we start today’s writing, we are learning about pronouns. A pronoun is used in the place of a noun.

Rewatch the video of The Lighthouse to remind yourself of the story.

<https://www.literacyshed.com/the-lighthouse.html>

Today, we are writing about the ending part of our story.

Full instructions are on the PowerPoint. Please ask your parent or carer to email this to the Year3 email address so we can stick it into your English book for you.

**HISTORY** – We are continuing to find out more about the history of Dorking, including a very old building in the town centre. Have a look at the PowerPoint to find out more, then complete the worksheet.

### **READING – 30 MINS**

Read to an adult and get them to ask you some questions about what you have been reading. You could read your school reading book, a magazine or comic, a recipe book, anything!
