

Tuesday lessons

Hello!

We are missing you at school. We hope you're getting on ok at home. We appreciate it might be a little tricky to be learning there, so do what you can. Time on Doodlemaths and TT Rockstars all helps.

MATHS – We are not doing any maths today in school as we are doing some reading assessment. If you would like to do the same assessment at home and then bring it in to school with you when you return then please go to this website and print off the test.

<https://www.gov.uk/government/publications/key-stage-2-tests-2019-english-reading-test-materials>

This is a key stage 1 test but as they didn't sit the actual test we are just gauging where they are now and what we need to work on moving forwards.

There is quite a lot of it so please don't worry if you decide you don't want to use all that ink, we can get them to take it when they return.

If you don't do the reading please could you log on to Doodlemaths and check you're up to date with your extras and daily challenges. Also go on to TT Rockstars and practise your tables.

ENGLISH – We are looking the conjunctions if and but today. These conjunctions feature a lot in non – chronological reports.

Go through the ppt which will explain when we use each. There are then two sheets to work through. The first you are matching the first part of the sentence with the second part and in the second you are continuing the sentence using the correct conjunction.

RE – We're looking at the story of Daniel and the lions. Watch the video, then answer the questions on the worksheet.

READING – 30 MINS

Today, you can read to yourself. Then explain to an adult what it is you have been reading about. Is there any vocabulary that you have come across that you are unsure about? If so use a dictionary and look up the word to find out what it means.
