Staffing News

Mrs Stowell has decided she will not be returning to St Paul's, but she will be continuing in her roles as Sports Coordinator for the Dorking Schools Partnership and teaching at Surrey Hills. She is very sad to leave but would like to say how much she has loved her 14 years teaching sport at St Paul's and particularly the wonderful enthusiasm and successes of the children. She looks forward to seeing St Paul's at all the Dorking sports events and wishes them all the best for the future.

Reading - at home with / to your child

No one doubts the importance and centrality of being a competent reader. The skill of reading plays such a key role in our society and culture.

From talking to children and looking at reading record books not as much reading is taking place at home as in times gone by. There are no doubt many reasons for this, but can I encourage you to continue reading **to** and **with** your child daily : **it does have a positive impact.**
