

Sports Report - May 2014

The children have been busy attending clubs and practices for the numerous sporting events that take place this term. These include **Rounders**, **Kwik Cricket** – boys and girls and a keystone 1 festival, **Tri Golf**, **Mini Tennis** and **Athletics**.

The Year 3/4 and 5/6 **rounders** and Year 5 **netball** competitions have been postponed due to rain, but hopefully will be rescheduled for after half term. We hope also to rearrange the Year 5/6 **Hockey**.
