

Year 4 - Daily Lesson Schedule - Monday 15th June 2020

Good Morning Year 4,

Below is the work for today including any website links you may need as well as any PowerPoint resources. On some days, you may be asked to upload work to Purple Mash after completion.

We know that families will have a range of different demands on them over this difficult period. In school, the children will be completing all of the work on the daily schedule. We would like the children at home to be completing as much as possible. However, on particular days, you may feel the schedule is overwhelming, so please complete whatever you can - remembering that Maths, English and reading are of particular importance. You can choose to do these lessons in any order that suits you. For your daily exercise, you could follow Joe Wicks or Jumpstart Jonny or even make up your own routine. The timings are for guidance only and an activity can be stopped if it is taking longer than the recommended time. Doodle maths and Times Table Rockstars can continue to be used to support learning at home and you can add this into your schedule as you see fit.

Reading texts will continue to be set on Purple Mash. However, PDF copies of the text and question sheets will continue to be uploaded to the school website. There may also be specific SPaG sheets to accompany each chapters (these will not have answers) which may also be used, if you would like. However, this is not a requirement as SPaG will also be incorporated into the English PPT each day.

NB: In Year 4, PSHE will be set on Tuesday and Thursday. However, feel free to use the 30 minutes slot on Monday, Wednesday and Friday to do some physical activities, mindfulness colouring, have a chat, play a game etc. The children in school will be having 'socially distanced' outdoor activities or circle times at this time.

Some Mindfulness resources have now been added to the 'new' Year 4 section of the website.

Lesson	Lesson Notes	Activity to complete
Maths (1hour)	Lo- To find equivalent fractions using pictorial representations.	Complete Fluency worksheets. <u>Choose from:</u> With clues Without clues.
