

## Year 4 - Daily Lesson Schedule - Friday 19<sup>th</sup> June 2020

Good Morning Year 4,

Below is the work for today including any website links you will need as well as any PowerPoint resources. On some days, you may be asked to upload work to Purple Mash after completion.

We know that families will have a range of different demands on them over this difficult period. In school, the children will be completing all of the work on the daily schedule. We would like the children at home to be completing as much as possible. However, on particular days, you may feel the schedule is overwhelming, so please complete whatever you can - remembering that Maths, English and reading are of particular importance.

You can choose to do these lessons in any order that suits you. For your daily exercise, you could follow Joe Wicks or Jumpstart Jonny or even make up your own routine. The timings are for guidance only and an activity can be stopped if it is taking longer than the recommended time. Doodle maths and Times Table Rockstars can continue to be used to support learning at home and you can add this into your schedule as you see fit.

As there is no PSHE set on Wednesdays, we recommend using today's 30 minute slot for some discussion, a creative task, mindfulness activities or additional physical activities.
