

# St. Paul's School Orchestra 2018/19

 **Is your KS2 child learning to play an orchestral instrument?**   
 **Would they like to try out playing in the St Paul's School Orchestra?** 

We're looking for woodwind, brass and string players (including guitars) to join our merry band.

- We write the music to suit the ability of each child – even if they can only play 2 or 3 notes we make sure they have something they can play. All we ask is that they can put their instrument together unaided and that they can read (or are beginning to read) music.
- We rehearse during the school day 3 or 4 times each term
- We perform 3 times a year – a Christmas Concert in December in the school hall, at the school's Musical Celebration concert in St Paul's Church in March and at the FOSPA Summer Fair in June.

If your son/daughter would like to join us or would like to come along to a rehearsal and see what it's like, please complete and return the form below to the School Office.

If you want to know any further details, please speak to one of us at school pick up or contact us via the School Office.

The best part of learning an instrument is playing in a group with other people – it really does make all those hours of practice at home worthwhile.

Best wishes

Mrs Tolley, Mrs Wharmby and Mrs Eborn

.....  
Child's name .....

Class ..... Instrument.....

Approx. standard.....

.....  
*Length of time learnt – notes/scales played – exams taken if any*
