# Introducing PANDO KAISTER – your wizard guide!

Welcome to the wonderful world of wizards! Come with me and explore things that will help you with your writing skills and build on the work you do at school.

For thousands of years, humans all over the world have tried to discover the power of wizards. There are many stories about what we do, where we live and the spells we cast. I'm here to introduce you to the world of wizardry and to inspire you to write about wonderful wizards!

Have you ever wondered what it's like to be a young wizard? What if you found out you actually were one? Let's imagine you are! What would you look like? What would you wear? What special powers would you have?
