

Plan for Week

This week we are going to be focusing on prediction in our Guided Reading lessons.

Prediction is all about making educated guess about what will happen.

As usual there are two comprehensions. One is a picture and one is a text. Please try and do both. Each comprehension should take you no more than 20 minutes.

Picture comprehension

- Use I think because

- What do you think the sphere is at the top of the hill?
- Where do you think it came from?
- What do you think might happen next? (Use I think because)
- The title of the picture is 'imminent.' This means 'something is about to happen.' What do you think that might be and why? (Use I think because)
