Lesson Aims

- I can use persuasive language (weaselly language!) to advertise my own imaginary school.
- I can plan out my advertisement.

Advertise your school!

Look back at the weaselly language used to advertise the wizard school in Lesson 2 last week (the text is on the next page to remind you!). Use some of the ideas there, plus the structure of the advert on the plan (on the page after the text), to plan how to advertise **your own** imaginary school. Jot down your ideas (note form – just bullet points) in the space provided.
