St. Paul's Dorking
Church of England (Aided) Primary School

Year 5

Week starting: 13.07.20

Hi Year Five,

Having spoken to lots of parents, we realise that lots of families are having to juggle their time at home.
To help children to prioritise their learning, we have listed below the most important pieces of learning for you to focus on for this week.
Please do not worry if you do not get through all of the home learning we are putting up. Each family has a different set of circumstances, with some having more time to home school than others.
We hope that this helps you organise and plan your child's learning more easily.

1) Read your own reading book for 15 minutes each day and complete one of the reading comprehension tasks either on Purple Mash or from the website.
2) Write out the instructions for making a potion.
3) Maths – complete the Year 5 revision booklet or the Year 6 transition booklet.

So that the teachers and can see the wonderful work that your child is doing, please can you upload 1 piece of literacy to Purple Mash (see instruction sheet) each week and any other piece of learning that you child might be particularly proud of.

Many thanks
Mrs Atkinson, Mrs Page and Mrs McLeod.
