

Year 5 – Topic Project Homework
Fact File for a Greek God or Goddess

Your task is to make a fact file about the God or Goddess from Ancient Greece. The God that you are researching is _____.
You have been given two white sheets of paper and one coloured one to present your Fact File on.

Research

Ideas for areas of research:

- Who the God is.
- To whom they are related.
- What he/she is responsible for.
- What he/she has as a symbol and what it means or why they have it.
- What he or she wears or carries which is distinctive.
- Anything else of interest.
- Check spellings of all words BEFORE you write them

Presentation

On **one** sheet of paper (A5 size – no bigger / no smaller!) write out, in your neatest handwriting, all the facts you have researched and on the **second** sheet of paper draw an illustration of the God and their symbols. The illustration should fit the size of the paper. This will then be hung up in class as a mobile.
Use headings and subheadings to present your work.
Once you have stuck your paper onto either side of the coloured paper, draw a Greek border on each side.
The work will be laminated at school before we hang it.

Bring in your finished and named work on Monday 14th December 2020.
