

Hi Juniper,

Hope you all well and have managed to enjoy the sunshine and get out in your garden and for walks. I have had an enjoyable Easter but have probably eaten too many Easter eggs.

The work for next week will go on the website on Friday. Below is a suggested timetable for you to follow for this work.

Morning	Maths (1 hour)	<p>Complete the booklet which is revising and extending work we have done in school. (20 minutes)</p> <p>Work on the board game activity. We will be excited to see the completed games when we get back to school. There will be an opportunity for you to play your games with friends. (40 minutes)</p>
	English (1 hour)	<p>Work your way through the activities in the talk for writing booklet.</p> <p>Suggested plan: Monday – Activity 1 and 2 Tuesday – Activity 4, 5 and 6 Wednesday - Activity 7 Thursday – Activity 8 and 9</p>

		Friday – Activity 10
Afternoon	Topic	<p>Activities on Oceans – this is the school project this week. (see website link)</p> <p>Activity 3 from the English booklet. (art activity)</p> <p>Purple Mash activities (see guidance below)</p> <p>Finish off work on Biomes if not completed.</p> <p>Continue with the maths board game. You could use the afternoon sessions to do the art work and make it colourful.</p> <p>There will also be some RE work for you to complete.</p>

### Purple Mash Work

Maths – Last term in maths we explored graphs and how different graphs are used for different reasons. There are two activities which will help you to further understand this. Please complete both activities. If you make mistakes, repeat the activity and try to think about why your first answer was incorrect.

English – There is a comprehension activity for you to complete. Please read the text and then answer the questions.

Science – Revision activities on work we have done last term. There is an activity on electricity and an activity on Living Animals.

Geography – There is a short quiz on Oceans – our school topic for this week.

It would still be nice to hear from some of you. Only a few of you have completed the letter activity and sent it to the school e-mail address. No-one has yet to use the Purple Mash blogs. These are a great way for you to keep in contact with one another and see how you are all doing.

Please e-mail if you have any questions about any of the work this week or need any further advice or support.

Keep Safe,

Mr Tinsley.
