

22nd May 2020

Hi Juniper,

Hope you are all well and enjoying the lovely sunny weather. I've been busy this week finishing off your reports and doing some work on history. It was lovely to speak to many of you when I phoned last week. It was good to hear lots of positive comments about your work and to hear how you have been keeping busy and well. Sorry if I did not get to speak to you. Hopefully I will get to see all of you soon as the government is hoping to get year 6 back to school in early June.

Well done with all the work you have been doing. I have enjoyed receiving e-mails from some of you showing me the work. I have also enjoyed looking at the work you have done on Purple Mash. As you have been working so well, all the teachers have decided to not set any home learning work for over half term. However, if you do want to continue doing some work you can still complete doodle maths, doodle English and TT Rockstars. There is also an RE competition to complete and the details on this can be found on the school website in Week 10 resources.

I hope you all enjoyed the video from all the staff which was put on the website last week. I hope you have a restful and happy half term. Remember to continue to keep active and go for walks and visits in the countryside whilst remembering to stay safe.

Best Wishes,

Mr Tinsley.
