

First Memory

Best or most funny memories

Another more recent memory

Feelings about St. Paul's:

- what have you enjoyed? (subjects, trips, favourite year?)

- who are your friends and what did you enjoy doing together (in and out of school!) e.g. going to Costa

- what will you miss?

Conclusion :

Feelings about the future: what are you looking forward to at secondary school; **do you have any ambitions? e.g. to be a vet, doctor, work with animals etc.**

Final comment to others:

Other points I want to include
