LO: To tell the time using o'clock and half past   Date:
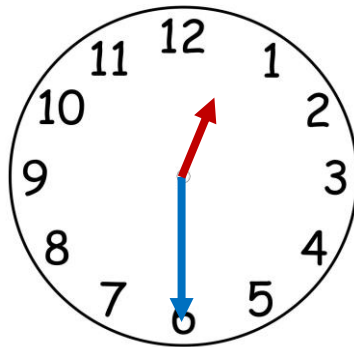

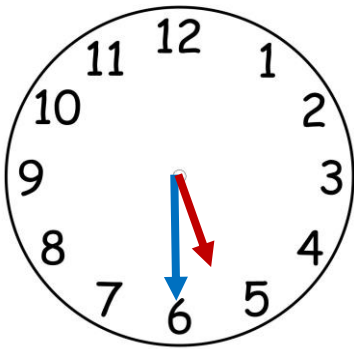

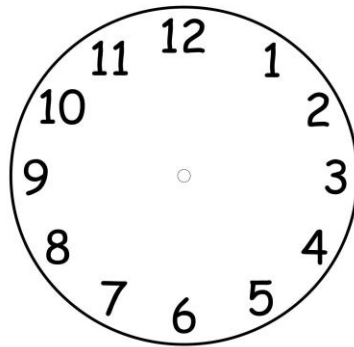

Success Criteria:

I know that when it is **half past** the hour the long hand points to 6.

I know that when it is **half past** the hour the short hand is half way between that hour and the next one.

I know when it is **o'clock** the long hand points to the 12.

(clock)	(clock)	(clock)
(blank box)	(blank box)	(blank box)

(clock)	(clock)	(clock)
3 o'clock	Half past 9	7 o'clock

|		
(clock)	(clock)	(clock)
(blank box)	(blank box)	(blank box)

Match up the times to the correct clocks.

| Half past 12 | Half past 6 | 6 o'clock |
