

4th May 2020

Hi Sycamore Class

How are you this week? I hope you are all well and managed to do some of the activities we sent you from last week.

I have been working hard planning things for you to do and looking at your work on Purple Mash and Doodle Maths. I have also been planning work to do in school next week when I am in with the Key Workers' children.

Outside my dining room window I have been watching a pigeon building a nest for the last two weeks in a very small tree - not the best place for a nest. Today there are eggs in the nest! I hope I get to see some babies soon.

In the afternoons I have been 'fighting' with blackberry brambles! Our garden has fields all around the edge of it and brambles have been growing through the fence into our garden for a long time. I have spent

many hours cutting them down and have scratches all over my arms. It was not a very nice job but it looks good now. I have also spent a long time in the spare bedroom sorting out paper work which is so boring but needed doing and it looks so good now! When it rained last week and I didn't fancy going out for a walk in the rain I made a lovely chocolate fudge cake which was yummy. Have you been doing any cooking? I have also been sewing some scrubs uniforms for our local doctors and nursing homes so I have been just as busy as I would be at school!

I am missing you all and I hope I might see some of you next week when I am in school if your parents are key workers and then I can catch up with your news. Mrs Burch, Mrs Buckland and Mrs Cole send their love.

Lots of love

Mrs Cruickshank x
