Maths
Friday 3/7/2020

Lesson Aims

To apply my knowledge of money to play a game.

Starter

- Play the coin reveal game on the separate powerpoint.

(Home learners: If you can not access a screen to play the game, then you can recall/write down the different value British coins and notes from smallest to greatest)

Activity:

- Quick recap : What have we learnt this week about coins and notes. Can you remember them all?
- Today you are going to play a game of ‘money’ bingo Listen while your teacher explains the rules.
- **Have fun!**
