Overview

Let's remind ourselves.

Can you remember the capital city of Wales?

Can you name 2 of the national parks in Wales?

LEARNING INTENTION:

To compare the South East of England with Wales

SUCCESS CRITERIA:

- I I can compare Wales and the South-East of England.
- I can sort features of each region.
- I can say what is similar about them.
- I can say what is different about them.

Activity - Differences

- Watch – <https://www.youtube.com/watch?v=UOv6qwlandk>

(this is a video showing the landmarks and countryside of Wales which you watched last week)

As you are watching the video jot down some ideas you have about your impressions of Wales as a country. (see next slide for some possible answers)

Once you have watched it look at the photos on the next slide and think about where we live.

Can you note 5 things that are different

South East England

Answers

Possible things for features of Wales could be

Lots of countryside

Castles

Beaches

Lots of sheep/ farming

Colourful buildings

Differences to South East England

Motorways

Arable farming - crops

More buildings

Capital city - London

Busier – more people

No mountains

Similarities

- Thinking about what we have seen are there any similarities?
- Countryside
- Stadiums
- Shops
- Beaches

- Explain that there is more countryside in Wales as there is a smaller population so less buildings are needed to house people.
- Interesting fact - Welsh population - 3.230 million
- South East population – 9.175 million
- Sheep population in Wales – over 10 million!!

Activity

- Cut out and stick the pictures in the correct column on the sheet looking at the features of South East England and Wales.
- Complete the sheet asking you what are the similarities and differences.
