Plan for Week

We continue to look at celebrations in the Jewish religion.

This week we are concentrating on Sukkot and the building of Sukkahs.

- LO: I know Sukkot is a special time for Jews to remember that everything comes from God.
- SC: I can design my own Sukkah.
- I can evaluate the importance of special times for Jews and me.
- I can describe how celebrating special times strengthens faith and family life, for me and for Jewish people.

Main Teaching - Sukkot

- Watch this video clip about the celebration of Sukkot.
- <https://www.bbc.co.uk/programmes/p0193b73>
- As part of the celebration of Sukkot, Jewish people build a Sukkah in their garden or at their synagogue.
- A Sukkah is like a little hut but you must be able to see the stars through the roof.

What does a Sukkah look like?

Activity

- Fill in the worksheet with a design for your own Sekkah, then answer the questions.
