

St. Paul's Dorking

Church of England (Aided) Primary School

INSPIRING LEARNING,
NURTURING WHOLENESS

**Is your child due to start school in
September 2024?**

About Our School

We pride ourselves on being a highly nurturing, supportive and caring school. We are just a few minutes walk from the centre of Dorking with excellent wrap-around childcare provision (7:30am - 6.00 pm.)

Our School

Your child will enjoy our extensive grounds including our Copse wooded area that includes two outside classrooms. We provide fantastic inclusive opportunities for sport and music across the school, with every child learning a brass instrument in Year 3 and with about a third going on to have individual music lessons. All our children thrive as we have a listening culture, where pupils' thoughts, views and opinions are key. Reading is particularly valued throughout the School and our children make great progress across the curriculum. Additionally, we have a progressive and exciting computing provision.

Come and see us ...

If you missed our open days, you are still very welcome to book a visit before the closing date of 15.01.24.
