Read

Can a jockey win on a donkey?

Will a girl put a trolley in a turkey?

Did Santa get stuck up the chimney?

Today we are just going to do Guided Reading and practise our handwriting formation next.

Our lesson this afternoon – History – will help us with our English lesson tomorrow.

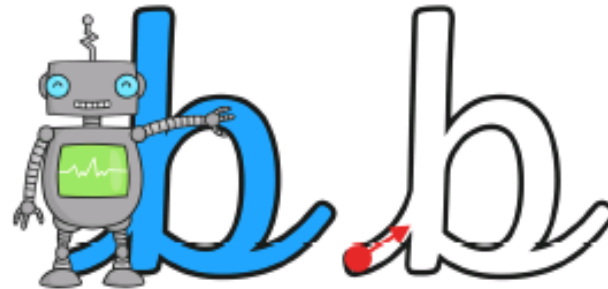

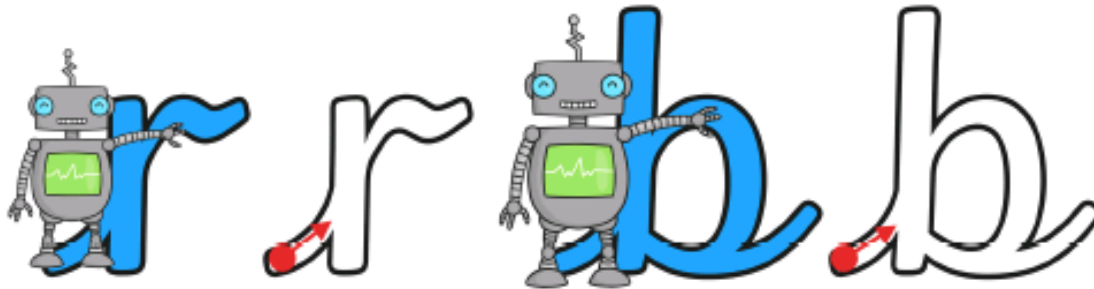

The handwriting will follow up from last Friday with the one-armed robot letters.

# Practise time

Please practise each letter, with the lead in and lead out stroke, on paper with a writing pencil. Remember to start on the line.

## One-Armed Robot Letters

Form these letters in your best writing - then write some words containing them - e.g. hen here hear near bear
