

Daily Lesson Schedule

Year 1

Date: 9/6/2020

Good Morning,

Below is the work for today including any website links you will need as well as any PowerPoint resources. You may be asked to upload work to Purple Mash after completion.

We know that families have got a range of different demands on them over this difficult period. In school, the children will be completing all the work on the schedule. We would like the children at home to try and complete as much as possible. If however, on particular days, you feel the schedule is overwhelming please complete what you can, remembering that Maths and English are of particular importance.

You can choose to do these lessons in any order that suits you. For your daily exercise you could follow Joe Wicks or make up your own routine. The timings are for guidance only and an activity can be stopped if it is taking longer than the recommended time. Doodle maths can also be used to support learning at home.

Lesson	Lesson Notes	Activity to complete
Maths (45mins approx)	Use powerpoint: Tuesday- Maths We will be looking at dienes and saying which 2-digit number is represented. We will be drawing dienes to represent 2-digit numbers.	See attached Maths Activity sheet-Tuesday'.
