

Spelling Practice: 'ou' words

PLEASE BRING TO SCHOOL ON: Friday 2nd October 2020

Spread out when you practise your spelling words. Don't do them all at once ☺. When you practise, write out each word, say the word aloud using your phonics to help. Then cover it up and have a go at writing it. *If you make a mistake look back at the word, so that you know how to correct it next time.*

Look	Say	Cover	Write – practice 1	Check ✓	Write – practice 2	Check ✓	Write – practice 3	Check ✓
Rough								
Tough								
Enough								
Double								
Trouble								
Country								
Courage								
Young								
build* <small>This is taken from the Year 3-4 Statutory words.</small>								
history* <small>This is taken from the Year 3-4 Statutory words.</small>								

PRACTICE 4 – Without looking at the spelling, choose four of your words and write them in a sentence:

1. _____

2. _____

3. _____

4. _____

Maths Homework

As per the Parent Mail sent earlier in the week, homework for Maths will now be set weekly via **Doodle Maths**.

All the children should have logged onto Doodle Maths this week and had a practice in class, so they know their passwords and remember how to use everything ☺. The children have been set a task based on what we have been doing in class this week. Please practice your times tables using TT Rockstars or something similar, if you prefer. There will be a **quiz** on the 4x table on **Wednesday 30th September**.

Topic Homework

Project homework for this half term is linked to our topic of Ancient Egypt.

The Task: To design and make a 3D model to represent life in Ancient Egypt, e.g pyramids, mummies, sphinx, pharaohs, a model of a temple cat or 3D map of Egypt. We would also like you to research and present 3 or more facts about the background of your model. Such as, ‘There were..... pyramids built in Ancient Egypt’ or ‘The Egyptians believed in many different gods such as ...’. You may hand write or type up your 3 facts.

Your facts, along with a clear photograph of your model, must be brought into school by **Wednesday 21st October 2020**. You can find a breakdown of how to best manage your time on the Topic Homework sheet. This can be found on the Year 4 section of the website.
