

Monday lessons

Hello!

We hope you had a fabulous weekend with your family. Today, we are back to learning time. We appreciate it might be a little tricky to be learning at home, so do what you can. Time on Doodlemaths and TT Rockstars all helps.

MATHS – This week we are looking at arrays. You learned about these in Years 1 and 2. They are very helpful for multiplication and division. Follow the PowerPoint. Your work to do and answers are on there too.

ENGLISH – We are beginning to write our own version of the short film ‘The Lighthouse’.

But first, we are learning about pronouns. A pronoun is used in the place of a noun.

Rewatch the video of The Lighthouse to remind yourself of the story.

<https://www.literacyshed.com/the-lighthouse.html>

Full instructions are on the PowerPoint. Please ask your parent or carer to email this to the Year3 email address so we can stick it into your English book for you.

RE – We are learning about the story of Moses and how he saved the Israelites from Egypt. Watch this short video to find out more <https://www.youtube.com/watch?v=rzcYLCYItuc> Then answer the questions on the worksheet. There’s a space for you to draw the moment when Moses parted the Red Sea. Please ask your parent or carer to email this to the Year3 email address so we can stick it into your RE book for you.

READING – 30 MINS

Read to an adult and get them to ask you some questions about what you have been reading. You could read your school reading book, a magazine or comic, a recipe book, anything!
