Today we are going to plan our own non-chronological report all about Unicorns.

Use the planning sheet as well as the non - chronological report to help you plan your report. You can use the ideas already there or you can include some of your own.

Remember this is just in bullet point form but remember to use but and if as well as determiners.

What is a determiner??????!

Read this passage -

Most Unicorns are friendly but **some** can be nasty if they want to be. **A few**, that are black, have been known to bite people.

The words in red are known as determiners - they tell us a little bit more information about the noun, which in this case is the unicorn.

Here are some other examples

Some

Lots of

Many

A few

Usually

Most

Now have a go at using some of these to plan your report.
