

Tuesday lessons

Hello!

We're firmly back in 2020 after our trip back in time to the Victorian era yesterday. Lots of fun was had, but it's fair to say we prefer learning in the present day

ENGLISH - This week, we are moving on in English to writing another non – chronological report this time it's about a Hippocrump! We're also learning about the prefixes dis- and un. Prefixes go at the beginning of the root word. For your main task you are reading at the poem The Hippocrump and then drawing and describing what you the Hippocrump looks like. Use noun phrases to help you. Can you use a sentence of 3 too? (Adjective noun, adjective noun conjunction adjective noun – The beast had *wild hair, green eyes and a long tail*). We'd love to see your pictures, please email us at year3@stpauls-dorking.surrey.sch.uk

MATHS - In school, we will be carrying out some maths assessments to help the Year 3 Team shape our lessons over the next term. Your teacher will be in touch to explain how you can take part at home too.

There is an 8 times table fortune teller for you to make to help you learn the 8s. Maybe you could do the same or use the maths from day 1 on the website – you can also use this for some English activities too. Plus there's Doodlemaths and TT Rockstars to play on. Or check out Hit The Button for times table practise <https://www.topmarks.co.uk/maths-games/hit-the-button>

SCIENCE – We're continuing to learn about skeletons, in particular the types of skeletons that animals have. There are two sheets to print off. The second is the pictures which need to be stuck in the correct categories on the first sheet. Follow the PowerPoint to find out more.

READING – 30 MINS

Perhaps you could look at this website which is all about the Victorians. There is a section on Victorian schooling as well.

<https://www.dkfindout.com/uk/history/victorian-britain/>

Once you have done that you could quiz yourself on the Victorians using the quiz they provide. We hope you enjoy it.
