

# **Year 2 Maths 4/12/2020**

## Mental Maths starter

Play this games to practise quick recall of doubles of small numbers:

<https://www.ictgames.com/mobilePage/archeryDoubles/index.html>

# Lesson Aims

To answer questions about tally charts and pictograms.

- I can work out the total for each category.
- I can read the key to work out what one picture is worth.

# Data Handling

data - information that is collected and counted

handling - doing something with the numbers  
- showing the data as pictures of graph

# Main Teaching

Which was the most popular pet?

Which was the least popular pet?

How many people have a rabbit?

| ANIMAL | TALLY |
|--------|-------|
| CAT    |       |
| DOG    |       |
| RABBIT |       |

How many more people had a dog than a cat?

How many fewer people have a cat than a rabbit?
