Phonics

Revise

As last week

Watch and join in with the phase 5 digraph sounds

<https://www.youtube.com/watch?v=R3S5sJw7MfI>

Play through once and listen then play again with no sound and have a go by yourself.

Phonics

We are learning the grapheme **ew**

As we saw from the video we just watched it can make two different sounds

ew as in **flew** and as in **stew**.

Sometimes, **e** and **w** work as partners to make the /**oo**/ sound.
Let's say these examples:

ble**w**

gre**w**

che**w**s

Sometimes, **e** and **w** work as partners to make the /**yoo**/ sound.
Let's say these examples:

ne**w**

pe**w**

ne**w**t
