

## Daily Lesson Schedule

Year 1

Date: Tuesday 7<sup>th</sup> July 2020

Good Morning,

Below is the work for today including any website links you will need as well as any PowerPoint resources.

We know that families have got a range of different demands on them over this difficult period. In school, the children will be completing all the work on the schedule. We would like the children at home completing as much as possible. If however, on particular days, you feel the schedule is overwhelming please complete what you can, remembering that maths and English are of particular importance.

You can choose to do these lessons in any order that suits you. For your daily exercise you could follow Joe Wicks or make up your own routine. The timings are for guidance only and an activity can be stopped if it is taking longer than the recommended time. Doodle maths and Times Table Rockstars can also be used to support learning at home.

Lesson	Lesson Notes	Activity to complete
Maths (45mins approx)	Use Powerpoint Tuesday Maths	Using a number line to work out the missing numbers in a subtraction number sentence. (or continuing with more counting back, as Monday, if needed) See attached activities.
Phonics, Spelling and English (55 mins approx)	Powerpoint Tuesday English	Write leaflet (template in Tuesday English Activity) pages on bicycles
History	Powerpoint History - history of first flights	Timeline on planes activity
