

Date:8/7/20

CHALLENGE:

Which of these number sentences are correct and which are not correct?

(Use your number line if you need to.)

Tick the correct ones and write the answer for those that have not been worked out correctly.

$$14 - 7 = 7$$

$$18 - 13 = 4$$

$$20 - 5 = 14$$

$$16 - 9 = 7$$

$$11 - 3 = 8$$

$$17 - 9 = 9$$
