

Chiquitita

Part 1

Chiquitita, tell me what's wrong
You're enchained by your own sorrow
In your eyes there is no hope for tomorrow
How I hate to see you like this
There is no way you can deny it
I can see that you're oh so sad, so quiet

So the walls came tumbling down
And your love's a blown out candle
All is gone and it seems too hard to handle
Chiquitita, tell me the truth
There is no way you can deny it
I see that you're oh so sad, so quiet

Chiquitita, you and I know
How the heartaches come and they go and the scars
they're leaving
You'll be dancing once again and the pain will end
You will have no time for grieving

Chiquitita, you and I cry
But the sun is still in the sky and shining above you
Let me hear you sing once more like you did before
Sing a new song, Chiquitita
Try once more like you did before
Sing a new song, Chiquitita
Try once more like you did before
Sing a new song, Chiquitita

Part 2

Chiquitita, tell me what's wrong
Your own sorrow, sorrow
In your eyes for tomorrow
How I hate to see you like this
There is no way you can deny it
I can see....sad, so quiet

So the walls come tumbling down
Blown out candle, candle
All is gone....hard to handle
Chiquitita tell me the truth
There is no way you can deny it
I can see....sad, so quiet

Chiquitita you and I know x2
How the heartaches come and they go and the scars
their leaving
Dancing once again and the pain will end
Time for grieving for grieving

Chiquitita you and I cry x2
But the sun is still in the sky and shining above you
....You sing once more like you did before
....Chiquitita
Try once more like you did before
....Chiquitita
Try once more like you did before
....Chiquitita
