# Phonics

Revise

How many can you get right in a minute?

If you try again, can you do more?

<https://www.phonicsplay.co.uk/resources/phase/5/flashcards-speed-trials>

# Phonics

## Teach

We are learning alternative pronunciations of the **o** grapheme

Write the words,

Adults – words are in the notes.

# Phonics

Write

You will get a shock if it is too cold.

The gold is hot to hold.

## Main lesson

Today we are linking our learning in PSHE with our English work.

We are reflecting on our year in Year One as well as looking forward to next year in Year Two.

**Think about what you have enjoyed in school this year, what you have improved at, as well as what you are looking forward to and any thing you want to find out about going into Year Two.**

We can think of the topics, outside learning, etc. we have done.

What did you find hard **but** now you are better at?

What do you know about Year Two and the work they do?

What are you unsure about or would like to find out ? – we can ask Year Two teachers to help us with that)
