

Year 1 Geography

Lesson aims:

To know the names of the 7 continents of the world.

I can begin to identify the 7 continents of the world on a map.

Explorers, lets find out
about the **continents!**

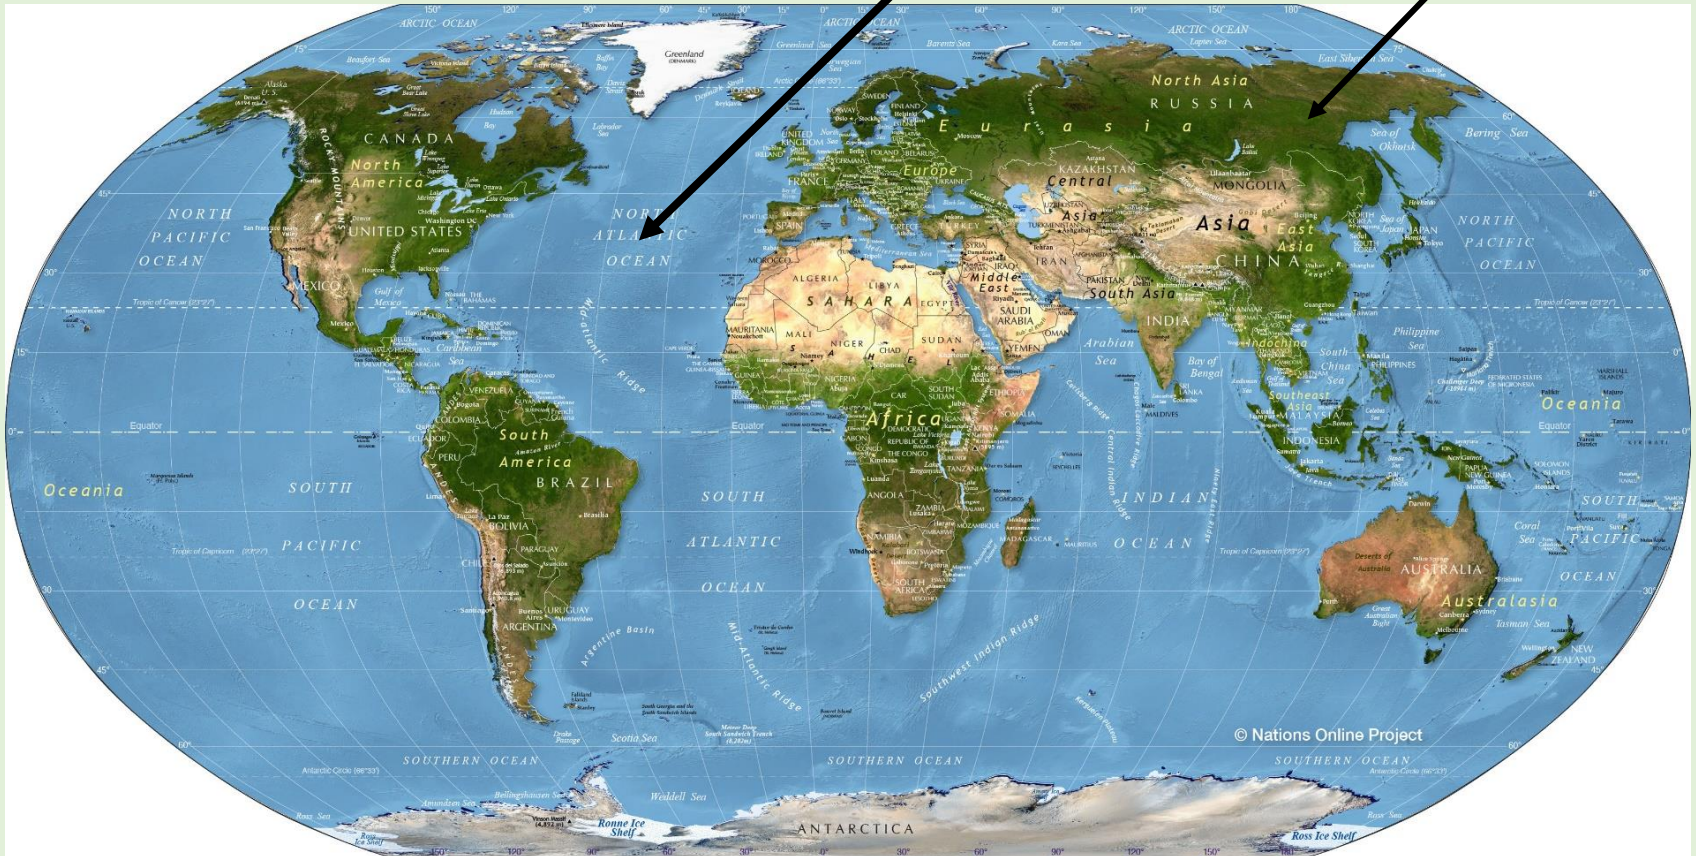

What can you see on this map of the world?

Did you spot the **sea** and the **land**?

A map or globe shows us where the **sea** and the **land** are.

What is a continent?

- The **land** all over the world is split up into **continents**.
- There are **7 continents** in the world.
- A **continent** is a large area of **land**.

On this map each continent is a different colour. **Can you count 7 continents?**

Click the picture and close the PowerPoint to **listen to a song about the **continents**.**

Can you remember all 7 names of the continents?

These are the 7 continents of the world.

We live in the continent of Europe. Can you find Europe?

**North
America**

Europe

Asia

**South
America**

Africa

**Australia/
Oceania**

Antarctica

This continent is
sometimes called
Australia or Oceania.

Which continent is hiding behind the square?

Europe

Asia

**South
America**

Africa

**Australia/
Oceania**

Antarctica

Which continent is hiding behind the square?

**North
America**

Europe

Asia

**South
America**

**Australia/
Oceania**

Antarctica

Which continent is hiding behind the square?

**North
America**

Europe

Asia

**South
America**

Africa

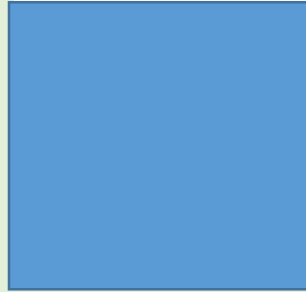

**Australia/
Oceania**

Which continent is hiding behind the square?

**North
America**

Asia

**South
America**

Africa

**Australia/
Oceania**

Antarctica

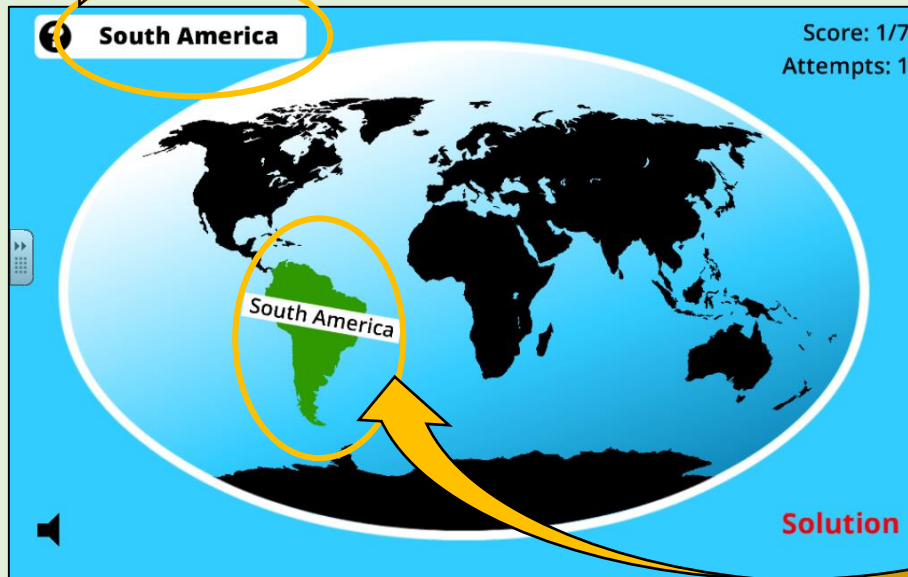

Your task:

Click on the map below.

It will take you to a game all about the 7 continents.

Remember, the continent of Australia is sometimes called **Oceania**.

1. The **name of the continent** will appear at the top of the screen.

2. Click the right place on the map to match the name to the continent.

Can you match all 7 continents?
