

# **Making Christmas decorations**

# Lesson Aims

- **LO:** To make a reindeer Christmas decoration.
- I can fold paper to make a reindeer face.
- I can draw and cut out the parts to stick on the face.

# Instructions:

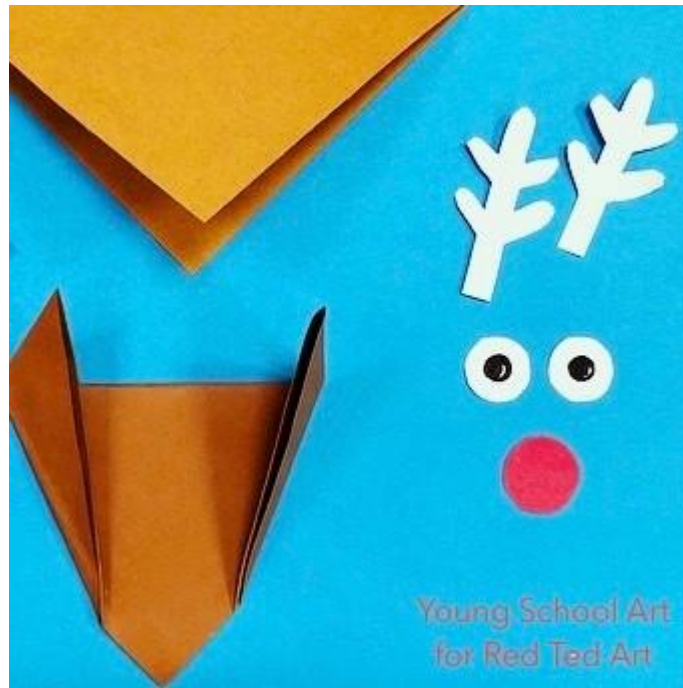

- First, fold the square of paper/ card in half to create a triangle. Next, fold up two points of the triangle to form the reindeer's ears. Press down to create crisp folds.

# Instructions:

Next, draw the antlers and eyes on a piece of white paper. Draw a circle on a piece of red paper to create the nose. Cut out all of the pieces.

- Glue on the eyes and nose. (Make sure the eyes overlap the folds so they stay flat)
- Then, flip over the reindeer and attach the antlers on the back.
