Art

What is important to think about when we are working on an art project?

- plan
- take your time and take care with your work
- have fun!

Plan your ideas first

- Draw out what you want your finished piece of art to look like
- Make a list of materials that you will need
- Label the different material on your drawing

Paper plate minibeasts

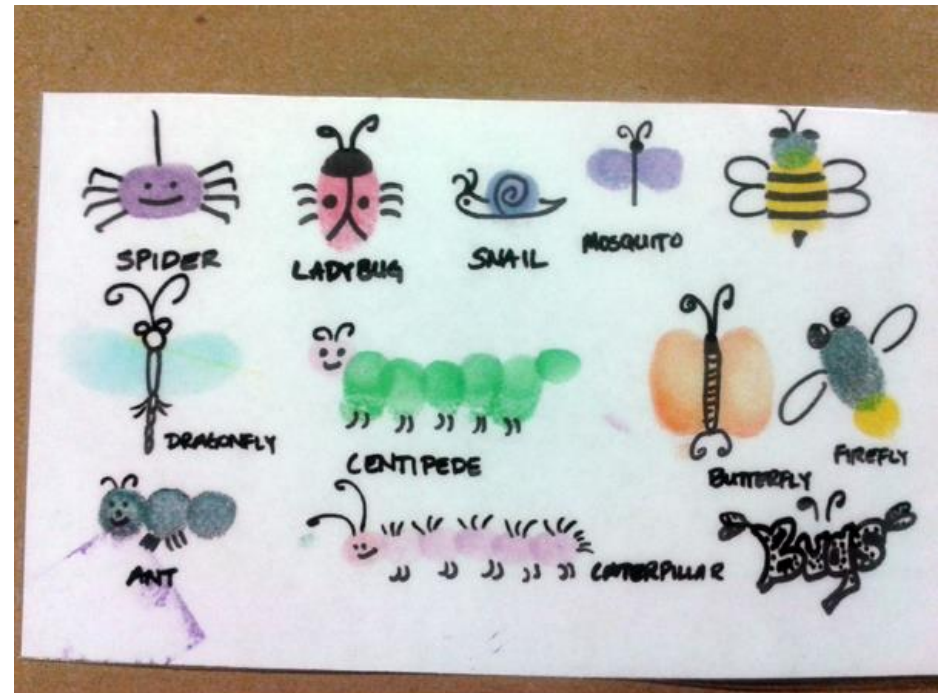

Cardboard tube minibeasts

Hand and finger painting

Rock, clay, playdough
